

Welcome to LITTLE TRINITY

Your historic
neighbourhood church

Trinity East (Little Trinity) is the oldest standing church building in Toronto.

Built for Irish immigrants living in the neighborhood, worship services began in 1844 and have continued ever since.

Today, as a vibrant parish of all ages, we continue the tradition of Christian worship, study and service at the busy intersection of King and Parliament, just steps from the Distillery District.

Start the New Year by investing in your most important relationships!

***Blue Christmas - December 16**

Many people think of Christmas as a time for celebration but it can be a difficult time for many reasons. Families are separated by death, distance and divorce. Loss of jobs and health take their toll. It is hard to celebrate in the midst of grief, sadness and concern for the future. This service recognizes the difficulties of the season while acknowledging the hope of Christmas in the birth of the Christ child.

Trash Can for a Cradle?

A trash can for a king is a crude cradle. But 2000 Candles, a travelling music theatre performance, pulls it off by peeling back Christmas commercialism and bringing the birth of Jesus back to centre stage.

Fantastic for all ages!
